

If you answer YES to 3 or more of these questions, you may want to make an appointment with an audiologist.

1. You have trouble hearing/understanding people talking on the telephone.
2. You have trouble following a conversation when people are talking at the same time.
3. The family complains that the TV is too loud.
4. You strain to hear conversations.
5. You have trouble hearing in noisy environments.
6. You say 'What?' a lot.
7. People don't speak clearly. They mumble.
8. You misunderstand what people say.
9. You have trouble hearing children and women.
10. You become annoyed at others because you can't understand what they say.
